Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner discussed with applicant's representative that the recitation "with a periphery" is not clear, and applicant was suggested to recite that the surface has a peripheral wall or an the surface includes an edge, or anything else which does not obfuscate the claim. Applicant suggested to amend the claims to dleete "with a periphery" and replace "periphery thereof" to --surface-- the changes were authorized by Examiner's Amendment..
